Please note the technical data of the products!

Article Numbers: 142710, 142503, 142502

Safety Instructions:

- Make sure that the brochure stand is placed on a stable and level surface to prevent it from tipping over.
- Avoid overloading the supports to prevent material failure or injury.
- The brochure stand should only be used in accordance with the instructions provided to prevent injury.
- Keep the brochure stand away from direct heat sources or liquids to prevent damage to the materials.
- Regularly check the stability and functionality of the castors to make it easier to push and manoeuvre the stand.
- Make sure that children do not play with the supports or castors to avoid injury.
- The assembly instructions should be followed to ensure that the brochure stand is assembled correctly and safely.
- Due to the height adjustability of the stand, users should make sure to check the stability after each height adjustment.
- When using the smooth-running castors, ensure that the stand is not left unattended to avoid accidents.
