Article Numbers: 142711, 142507, 142506

Safety Instructions:

- Make sure that the brochure stand is stable to prevent it from tipping over.
- Avoid overloading or excessive weights on the supports to prevent damage or failure of the parts.
- Ensure that the castors are properly locked to prevent unexpected movement or slippage.
- Check the condition of the polystyrene parts regularly in order to recognise damage in good time.
- For correct handling of the castors, it is important to choose a clean surface to ensure that the stand can be moved easily.
- The supports are height-adjustable and should be set correctly to ensure ergonomic use.
- Keep small parts away from small children to avoid the risk of choking.
- Due to the high standing height, there is a risk of tipping over if used incorrectly.
- During assembly, all parts should be securely fastened to prevent the stand from collapsing.
