Safety Instructions:

- Ensure that the shelf is stable and correctly assembled to prevent it from tipping over and causing injury.
- Only use the shelf for its intended purpose and not as a toy for children.
- Follow the manufacturer's instructions exactly when installing.
- Remove windows and other fragile objects near the shelf to prevent damage.
- Check the shelf regularly for stability and wear.
- Avoid using the shelf in damp environments to prevent rust formation.
- Protect the product from moisture and wetness.
- Avoid direct sunlight to prevent colour and material damage.
- Do not exceed the maximum load capacity to avoid collapse.
- Make sure that the shelf stands on a stable surface.
- Keep small children away from the product.
- Do not use any harsh or abrasive cleaning agents on the surface.
