**Article Numbers:** 191257, 191256, 191255, 191254, 191253, 191252, 191251, 191250

### Safety Instructions:

- Ensure that the belt cannot be reached by small children to avoid the risk of strangulation.
- To avoid injury, do not use the belt overhead or near limbs.
- Product is not suitable for children under 14 years of age and should not be left unattended.
- Do not use near hot surfaces, open flames or flammable materials to reduce the risk of fire.
- Product is not intended for use as a support or climbing aid.
- Posts must be stable and securely anchored in the ground to prevent them from toppling over.
- Check the belt pull-out system and the product regularly for damage before use.
- Do not exceed the maximum belt extension length of 9 m to avoid tripping hazards.
- Ensure that the belt is properly tensioned and not slack to avoid the risk of tripping.
- Protect the product from extreme weather conditions, weather influences and sharp edges.
- Avoid contact with electrical components to prevent injury.
- Ensure that the product is used in accordance with the instructions to minimise the risk of injury.
