Please note the technical data of the products!

Article Numbers: 150785, 150784, 150783

Safety Instructions:

- Do not overload drawers to prevent them from tipping over.
- Stainless steel can have sharp edges; take care when handling.
- The cabinet may become unstable if used incorrectly.
- A regular check of the stability and safety functions is recommended.
- Ensure that the cabinet is standing on a stable, level surface.
- Make sure that the cabinet is properly locked to prevent unauthorised access.
- Please observe the safety instructions and assembly instructions.
- Use only recommended in dry and well ventilated areas.
- Due to its weight, ensure that it stands securely during use.
- If the product has push-button locks, only open them with the keys provided.
