Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Take care not to use the product near water or in a damp environment to avoid slipping or damage.
- Avoid improper use to minimise the risk of injury. Improper use can damage the product, which can lead to a risk of injury.
- Before use, ensure that the clipboard has no sharp edges or damage and that all parts are intact.
- Risk of injury due to improper use of the clamping bracket element. Ensure that the clamping bracket is not pressed backwards beyond the limit of the terminal board size.
- Product instructions and warnings must be enclosed in an understandable language. Please read the user instructions carefully before use.
- Keep the clipboard away from heat sources, as plastic materials can melt or deform.
- Be careful when using sharp objects on the board to avoid scratches or damage.
