Safety Instructions:

- The terminal strip can cause injuries if not installed or used correctly. Handle with care.
- Product not suitable for children under 3 years of age; small parts may present a choking hazard. Keep out of reach of children.
- Mount the clamping rail securely to the wall or ceiling to prevent it from falling. Ensure that the surface has a suitable load-bearing capacity.
- Avoid installation in damp rooms to prevent corrosion damage. Not suitable for outdoor use.
- Do not overload the clamping rail. Only suitable for lightweight posters and info banners, use anti-slip protection.
- Regularly check the fastening of the posters or banners and the condition of the clamping rail to prevent accidents.
- Hinged function should only be operated by adults. When opening, be careful that clamping lists do not jump up.
- Do not install in areas with heavy traffic to prevent collisions.
- Avoid contact with sharp edges during installation.
