Safety Instructions:

- Keep the frame away from moisture and extreme temperatures and avoid installing it in damp environments or near heat sources to prevent damage.
- Only use the product on smooth, stable surfaces to prevent the frame from falling or detaching.
- The self-adhesive film may leave residue on surfaces; check the adhesive surface before use and press the film firmly to avoid detachment.
- The product is not suitable for children under 3 years of age as it may contain small parts that can be swallowed.
- Take care when using on glass surfaces to avoid the risk of breakage and injury.
- Avoid applying to untreated, damaged or uneven surfaces to ensure secure adhesion.
- The frame should not be installed in areas subject to heavy use or in the vicinity of chemical cleaning agents.
- Regularly check the stability of the attachment and avoid improper use to minimise damage.
- Avoid installing in places where the frame can be touched or manipulated by people without being adequately secured.
- The magnetic front of the frame should be handled with care to avoid damage.
- Safe use: Not suitable for unsupervised use by small children or as a toy.
- Follow the operating instructions for competent handling and installation in order to minimise safety risks.
