Safety Instructions:

- Follow the installation instructions carefully and only use the screws supplied to ensure secure and stable installation.
- The U-Parker is only suitable for bicycles with a tyre width of up to 55 mm.
- Ensure that the U-frame parker is mounted on a stable and level surface to prevent it from tipping over.
- Supervise use by children and ensure that the U-shaped parker is not used as play equipment in order to avoid accidents.
- Regularly check the condition of the hanger parker for rust and damage, especially when used outdoors.
- Avoid overloading the bike rack beyond the maximum number of bikes to ensure safety.
- Wear safety goggles and gloves during installation to avoid injury.
