### Safety Instructions:

- Regularly check the stability and safety of the table and mobile pedestal.
- Keep the area under the table clear and lay cables safely to avoid tripping hazards.
- Use the height adjustment of the table according to the instructions and observe the maximum load capacity for safety and user comfort.
- Secure the mobile pedestal when not in use; open the drawers securely to prevent tipping.
- Beware of sharp edges on the table and mobile pedestal; no sharp objects on the table top to avoid scratches.
- Item not suitable for children under 3 years to avoid choking hazard.
- Only use the lockable roller container for its intended purpose.
- The table should be placed on a stable, level surface to prevent it from tipping over; avoid excessive load on the table top.
- Keep electrical appliances and cables away from the table to avoid the risk of tripping.
- Mobile pedestals easy to move on smooth floors, caution on uneven floors due to risk of tipping.
