

Product Safety Information

Industrial grating extremely anti-slip, 10 m roll

Manufacturer/Responsible Person: Ewald Hildebrandt GmbH & Co. KG, Feldstraße 30, 44867 Bochum, Deutschland

E-Mail: kontakt@eha.de

Please note the technical data of the products!

Article Numbers: 151477, 151476, 151475, 151474

Safety Instructions:

- Extremely slip-resistant, please note when using in oily, greasy or dirty environments.
- Mechanical load capacity of 1800 kg/sqdm. Avoid overloading.
- If the product is damaged, discontinue use and ensure that the grating is not damaged during handling so as not to jeopardise the slip resistance.
- Make sure that the safety grid is placed on a stable surface to prevent it from slipping.
- Avoid using the grill in areas with extreme temperatures or direct sunlight, as this could affect the material integrity.
- Suitable for industrial applications, but take appropriate safety precautions and protect against overloading.
- Ensure safe use in accordance with the technical documentation and instructions provided.
