Article Numbers: 151508, 151507, 151506

Safety Instructions:

- The PE shrink bonnets are not suitable for direct contact with food.
- There is a risk of slipping if used incorrectly.
- Keep out of the reach of children to avoid the risk of suffocation and injury. Do not use as a toy; not suitable for children.
- Use suitable protective equipment to avoid injury during handling.
- Check the product for damage before use.
- Do not use in contact with chemicals.
- Protect from direct sunlight and extreme temperatures.
- Do not bring the film into contact with hot objects, as it could melt or catch fire.
- Film is not breathable; condensation may form during prolonged use.
- Use only in well ventilated areas to avoid accumulation of hazardous vapours.
