Safety Instructions:

- Ensure that the height adjustment is carried out correctly to avoid the risk of tipping over.
- The product should always be used on a stable, level surface to prevent it from tipping over.
- Make sure that the castors can be locked during use to prevent unintentional movement.
- The panel system may only be used for the intended purposes and with the recommended materials.
- Keep children away while using the stand to avoid injury. The product is not suitable for children under the age of three. Children must always be supervised when using the product.
- Assembly should be carried out in accordance with the enclosed instructions.
- When using the screen, care should be taken to ensure that it is fully extended and securely fixed.
