Please note the technical data of the products!

Article Number: 882022

Safety Instructions:

- The footrest should only be used on a stable and firm surface.
- Make sure that the tread is not damaged to prevent slipping.
- Regularly check that all height-adjustable mechanisms are safe and functional.
- Keep the feet of the product clean to ensure a secure hold.
- The product is not suitable for use by children under 3 years of age.
- Avoid overloading the footrest beyond the maximum load capacity.
