### Safety Instructions:

- Before use, ensure that the wall clip is properly attached to the wall so that the end of the strap can be held securely.
- Do not use for load-bearing elements as this can lead to injuries.
- The magnets must not be put in the mouth by small children to avoid the risk of suffocation.
- Improper handling can result in injuries due to crushing or collapsing of body parts.
- Risk of suffocation due to the end of the belt catching on the wall or improper handling.
- Only suitable for use with the belt provided.
- Do not install near heat sources.
- Ensure secure fastening to prevent falling or injury.
- Keep out of the reach of children to avoid danger.
- Only use the recommended screws and mounting materials to attach the clip.
- Keep the installation area clean and free of obstacles to avoid accidents during installation.
- Regularly check the condition of the wall clip for wear or damage, especially if it is subject to heavy use.
- Do not use for applications outside the manufacturer's specifications.
