Safety Instructions:

- Do not inhale. There is a risk of respiratory problems if handled incorrectly.
- Wash hands thoroughly after use.
- Store in a safe place as it is dangerous for children and pets. Keep out of the reach of children.
- Do not open or disassemble the cartridge.
- Do not dispose of the product in waste water or the environment. Dispose of empty toner cartridges in accordance with local waste disposal regulations.
- Not to be used by children due to small parts and risk of swallowing.
- Do not get toner in the eyes or on the skin. In case of contact with eyes, rinse immediately with water and consult a doctor.
- Avoid inhaling toner dust. Work in well-ventilated areas to minimise the accumulation of toner dust.
- Do not expose the toner to excessive heat or moisture.
- Zero Ensure that the toner cartridge is correctly installed to prevent leaks.
- Include safety information and instructions for use in plain language.
- Packaging and product contain important safety information.
