Article Numbers: 161616, 161615, 161614, 161613

Safety Instructions:

- The product should be kept out of the reach of children to avoid the risk of suffocation.
- Dispose of empty or defective toner cartridges at a suitable collection point in accordance with local waste disposal regulations.
- When using the product, it is essential to follow the manufacturer's instructions.
- Avoid contact of the toner with eyes and skin. In the event of contact, rinse thoroughly with water immediately. If eye or skin irritation occurs, consult a doctor immediately.
- Do not inhale the toner. If inhaled, provide fresh air immediately and seek medical attention if necessary.
- Do not look inside the product or attempt to repair it if it shows signs of damage.
- Wash hands and face before using the toner to avoid skin and eye irritation.
- Protect the toner cartridge from direct sunlight and moisture.
- Only use the toner cartridge for the printers intended for it.
- Ensure that the printer is switched off and disconnected from the power supply before installing the cartridge.
- Make sure to install the toner cartridge according to the printer manufacturer's instructions.
