Article Numbers: 161612, 161611, 161610, 161609

Safety Instructions:

- Do not touch directly, as toner dust can be harmful to health. Use protective gloves and safety goggles if necessary and wash your hands thoroughly after use.
- Keep away from children as it contains small parts that may pose a choking hazard. Keep out of the reach of children.
- Please observe the disposal guidelines for hazardous waste, including the disposal of toner cartridges in accordance with local regulations for electronic waste.
- The product is not intended for use in printers that are not designed for use with HP 128A (CE323A) toners. Use only in compatible printers to avoid damage.
- Caution in case of contact with skin or eyes, avoid direct skin contact with the toner powder.
- Do not store in open flames or extreme temperatures and do not use in close proximity to open flames or heat sources.
- Safety information and instructions for use must be enclosed with the product. Read the instructions and safety information before use.
- Only use in well ventilated areas.
- Improper handling may result in dirt or discolouration.
- If swallowed, consult a doctor immediately.
