Safety Instructions:

- Avoid tearing, hitting or overloading the product.
- Avoid contact with damp or wet material.
- Make sure that the corrugated cardboard is suitable for the intended purpose.
- When using in the vicinity of children, be aware of the risk of suffocation due to loose material residues.
- Store and use products safely to avoid damage and accidents.
- Products are not suitable for consumption and must not be put in the mouth.
- Not suitable for children under 3 years of age as small parts may pose a choking hazard.
- Store the product in a dry place away from direct sunlight to prevent mould growth.
- May pose a choking hazard if used as a toy by small children.
- Separate the packaging properly to minimise cutting injuries.
- Do not use for direct contact with food, only suitable for the intended use.
- Product packaging should be disposed of properly so as not to harm the environment.
- No special safety instructions are required as no hazardous materials are included.
