Safety Instructions:

- Test on a sensitive surface in an inconspicuous area before use.
- Do not come into contact with harsh chemicals or aggressive cleaning agents. Do not use harsh or incredibly abrasive chemicals on the cleaning cloth.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Wear protective gloves when using the product, especially in areas with chemical substances or in industrial areas, wear suitable personal protective equipment to avoid skin irritation.
- After use, dispose of the product properly in accordance with local regulations to avoid environmental pollution.
- Before use, ensure that the cloth/product is suitable for the intended application.
- The material is lint-free; however, wiped surfaces should be checked for possible residues.
- In the event of skin contact, rule out an allergic reaction; in the event of irritation, discontinue contact immediately. Avoid prolonged skin contact with solvents during cleaning.
- The product is not intended for use with food. Not suitable for direct contact with food.
- Do not use the product near an open fire, flames or hot surfaces.
