Safety Instructions:

- Use only for the intended purpose.
- The use of safety equipment is recommended.
- Children must be kept away from the product.
- Make sure that no heavy objects can fall onto the trolley.
- Do not exceed the load capacity per wheel set (240 kg).
- When pushing the trolley, make sure that the floor is level to prevent falls.
- Take care when opening the drawers to prevent the trolley from tipping over.
- Only open drawers one at a time to ensure stability.
- To be used by adults only.
- Ensure that the tool is used safely.
- Lock drawers during transport to prevent accidental opening.
- Store heavy objects securely to prevent the tool trolley from tipping or falling over.
- Check wheels regularly for functionality.
- Read and follow the product data and instructions carefully.
