Safety Instructions:

- The bags should not be overheated or exposed to direct sunlight in order to avoid material fatigue.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Do not use in direct contact with food unless the product is labelled as suitable for use with food.
- Do not use the bag in the microwave or oven.
- Do not use near sharp or pointed objects as this may cause cracks.
- The material may tear or break if used improperly.
- Do not bring near open flames or hot surfaces.
- Correct disposal required to avoid environmental impact.
- Only use in dry and clean environments.
- Please seal the ziplock bag carefully to prevent the ingress of moisture.
