Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Do not use in the microwave or oven.
- Not suitable for direct contact with hot food.
- Protect from direct sunlight and high temperatures to avoid material changes.
- Protect from fire and heat.
- Dispose of packaging properly after use, in accordance with local regulations for plastic waste.
- Do not bring into contact with sharp or pointed objects to avoid damage.
- Keep the film away from children to avoid suffocation through inhalation or aspiration.
- Food safe according to Regulation (EC) No 1935/2004, but ensure that it complies with food contact requirements.
- Store the product in a cool, dry place to preserve the material quality.
- Avoid storing near naked flames or heat sources.
