### Safety Instructions:

- Small parts may pose a choking risk for children under 3 years of age. Not suitable for children under 3 years of age as small parts may be present.
- Avoid contact with fire and water. Keep the product away from moisture and heat sources to prevent damage.
- Keep the packaging ready for future reference for safety information.
- The product does not contain any hazardous substances and complies with the safety requirements of the EU General Product Safety Regulation.
- Not suitable for consumption.
- Products for children should be used by adults to ensure that they are not used improperly.
- Check the product regularly for damage and replace it if necessary.
- Store the product in a safe place to minimise the risk of accidents.
- If used incorrectly, the loose-leaf binder may break or become deformed.
- Do not use to pull out extremely heavy material to avoid damage.
