### Safety Instructions:

- Not suitable for children under 3 years of age as there may be small parts that pose a choking hazard.
- The product should be kept out of the reach of children to avoid the risk of choking on small parts.
- Keep the product away from moisture, direct sunlight and extreme temperatures to prevent material damage.
- Avoid contact with sharp objects and excessive pressure to prevent damage.
- If handled incorrectly, there may be sharp edges or corners that pose a risk of injury.
- Ensure that the instructions for use are easy for the consumer to understand.
- The product should not be used for improper applications to avoid injury or damage.
- Store the product in a dry place, protected from direct sunlight and out of the reach of small children.
- Do not place near fire or heat sources as the product may be flammable.
- Check the products regularly for damage and replace if worn.
- The use of protective gloves may be necessary; do not block the grip hole.
- Observe the maximum load of the folder so as not to impair its functionality.
