Article Numbers: 132351, 132350

Safety Instructions:

- Create a stable base for the waste bin on uneven ground to prevent it from tipping over.
- Avoid overloading the container to ensure that it functions properly.
- The waste container should be used in accordance with local waste disposal regulations.
- Keep the container away from children to prevent injury.
- If damaged, the waste bin is no longer safe and should be repaired.
- The waste bin must not overheat in order to avoid deformation.
- Only use the waste container for its intended purpose (waste collection).
- Secure the container against tipping over to prevent injuries.
- Keep the area around the waste bin clean to avoid accidents.
- Keep sharp or pointed objects away from the container to avoid damage.
- Follow the instructions for proper disposal to prevent environmental pollution.
