Article Numbers: 152609, 152608, 152607, 152606, 152605

Safety Instructions:

- Product may have sharp edges. Wear gloves during installation to prevent cuts.
- Ensure that the hooks are correctly inserted into the perforated plate, hooked in and secured with screws to prevent slipping and accidents.
- Do not overload: Check the maximum weight the hook can carry to prevent material failure.
- Keep the product information and installation instructions in order to refer to safety information if necessary.
- Only use the hooks and the round holder for their intended purpose and ensure that they are properly secured.
- The product is not suitable for use by children; keep it out of the reach of children to avoid accidents.
- Incorrect assembly or use can result in serious injuries.
- Installation should be carried out in accordance with the manufacturer's instructions in order to avoid improper use.
- The use of protective clothing (e.g. gloves) is recommended to avoid injuries when handling the sharp edges of the sheet steel hooks.
- Ensure that if the pipe holder is accessible to children, there is no risk of suffocation from small parts.
