Please note the technical data of the products!

Article Numbers: 152618, 152617, 152616, 152615

Safety Instructions:

- Wear safety goggles to avoid eye injuries from flying parts.
- Before use, ensure that the hooks are correctly attached to the perforated plate, hooked in and screwed tight to prevent injuries and falling out.
- Ensure that the screws are firmly tightened to prevent slipping.
- Handle with care to avoid injury from sharp edges.
- The clamp may only be used on a stable and secure surface.
- The clamps are not suitable for use by children and should be stored out of reach to avoid the risk of choking on small parts.
- Before use, check that the clamps are firmly and securely attached to prevent them from slipping.
- Use according to instructions: Read and follow the instructions for use to avoid improper use and injury.
- Take protective measures: Protect yourself from sharp edges and contaminated objects when using the clamp.
