Safety Instructions:

- High-pressure container: Toner dust may escape if handled incorrectly. Observe the instructions for safe use.
- Not suitable for children under 3 years: Choking hazard due to small parts.
- Do not inhale: Avoid contact with toner, especially when replacing the cartridge. Ventilate well in case of large quantities.
- Recycle or dispose of packaging in accordance with local regulations.
- Protect skin and eyes from toner to avoid irritation; rinse thoroughly with water in case of contact.
- Only use the toner with suitable Lexmark printers.
- Keep away from children to avoid the risk of respiratory problems or allergies.
- Do not swallow; if swallowed, seek medical advice immediately.
- Empty and dispose of toner cartridges to avoid environmental damage and in accordance with local regulations.
- High temperatures can damage the toner cartridge.
- Do not use the product in damp or dusty environments.
