Safety Instructions:

- To avoid injury, the monitor stand should only be used for monitors weighing a maximum of 14 kg.
- Please check regularly that the monitor stand is secure and stable to prevent the monitor from tipping over.
- Make sure that no heavy objects or unused material are placed on the shelf, as this increases the risk of tipping over.
- The monitor stand should be used on a flat, stable surface.
- The manufacturer's specific instructions must be observed for any adjustments to the height or inclination after installation.
