Safety Instructions:

- There is a risk of injury due to improper use or overloading of the product.
- Keep the stand away from children to prevent it from falling over or causing injury.
- Regularly check the stability of the product, especially with heavier monitors.
- Only use the product for its intended purpose in accordance with the manufacturer's instructions.
- Ensure that the monitor stand is placed on a stable and level surface.
- Check that the load capacity of 36 kg is not exceeded.
- Ensure the use of non-slip rubber feet to prevent the appliance from wobbling or tipping over.
- Take care when adjusting the height from 50 mm to 100 mm to avoid falling objects.
