Safety Instructions:

- The product must be used on a stable and level surface to prevent it from tipping over.
- Before use, make sure that all parts are properly assembled.
- Avoid overloading the shelves and the trolley to prevent structural damage.
- The product should be kept out of the reach of children to avoid injury.
- Gloves should be worn to prevent injuries during assembly.
- Take care when lifting and transporting heavy objects to avoid injury.
- Remove all loose objects from the panels to avoid tripping hazards.
- It is recommended that the trolley is only used for its intended purpose to avoid unsafe use.
