Safety Instructions:

- Test on an invisible area before cleaning with disinfectant.
- The chair is not suitable for children under 3 years of age; choking hazard due to small parts.
- Ensure that the chair is placed on a stable, level surface to prevent it from tipping over.
- Do not stack more than 10 chairs to prevent them from tipping over.
- The product is not intended for use by children; supervision is required to avoid injury.
- Construction of the chair poses a risk when stacking; stack accordingly.
- Check regularly for damage; stop using if necessary to avoid injury.
- Do not use under extreme conditions or in safety-critical environments.
- Ensure that glides are in good condition to prevent slipping or tipping.
- The materials used are flame retardant, do not use near naked flames.
- Misuse of the product may result in injury; use in accordance with the manufacturer's instructions.
- The chair may only be used on firm, stable surfaces.
