Safety Instructions:

- Stack a maximum of 6 chairs to avoid the risk of falling. Stack neatly and stably to prevent tipping over.
- Not suitable for children under 14 years of age. Do not use as a toy due to dangerous seat height and stability. Keep children under 3 years of age away due to small parts and lack of armrests.
- Avoid overloading the chair to prevent damage and injury. Make sure that the frame is stable enough to support the weight.
- Use only on stable, level surfaces to prevent tipping or slipping. The floor should be non-slip.
- Pollutant-free cover, regular cleaning recommended. Check upholstery for tears or wear to ensure safety.
- Keep sharp or heavy objects away from upholstered areas to avoid damage.
- Made of tubular steel, risk of injury if handled incorrectly. Use chairs properly.
