Safety Instructions:

- Risk of falling when sitting down or standing up due to missing armrests.
- The product is not suitable for children under 3 years of age due to the risk of choking on small parts.
- When stacking, observe the maximum stacking height to avoid injuries and tipping over. Stackable up to 6 units.
- Careful assembly and regular stability checks are recommended.
- Risk of tears and injuries if the upholstered seat and backrest are handled incorrectly.
- Protect the leather-look cover from direct sunlight, high temperatures and chemicals.
- Risk of tripping due to high seat height and stackable design.
- The chair is not designed for people with special needs and can be dangerous if used incorrectly.
- Material is not fire resistant: Keep the chair away from open flames and extreme temperatures.
- Do not overload the chair to avoid structural damage and hazards.
