Article Numbers: 825984, 825983, 825982, 825981

Safety Instructions:

- Not suitable for children under 3 years of age due to possible choking hazard from small parts.
- Ensure that the biro is not used near naked flames or heat sources.
- Only use the product in accordance with the instructions to avoid injury or damage.
- Please keep out of the reach of children to avoid the risk of choking on small parts.
- Take care not to place the biro near electrical devices to avoid possible damage.
- Caution: Plastic parts can be swallowed. Keep away from small children.
- Do not expose directly to water or excessive moisture.
- The refill is not refillable. Local regulations should be observed for disposal.
- Safety note: Improper use of the biro can lead to ink on the skin.
- Make sure that the biro is securely closed to prevent the refill from running dry.
