Article Numbers: 190736, 190730

Safety Instructions:

- The sorting station should be kept out of the reach of small children to avoid the risk of choking on parts that may be swallowed. Not suitable for children under 3 years of age, choking hazard due to small parts.
- Users should only use the station for its intended purpose and protect it from extreme temperatures, moisture and sharp objects.
- Storage conditions, including transport and storage, should not jeopardise the stability of the polystyrene material in order to avoid breakage or damage.
- Ensure that all labels and holders are firmly and stably attached to prevent them from falling down and possibly causing injury.
- Protect from contact with water to ensure electrical safety.
