Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed or there is a choking hazard.
- Use the drawer box safely and do not overload it to prevent injuries and tipping over.
- Do not place the drawer box near heat sources to avoid damaging the material.
- Keep away from wet conditions so as not to impair the structure of the plastic.
- Check the drawer box regularly for external damage to ensure safe use.
- Only use the drawer box on stable surfaces to prevent it from slipping out or falling over.
