## Safety Instructions:

- The packaging is not suitable for children and should be kept out of their reach to avoid the risk of suffocation and injury.
- Do not use the packaging as a toy and avoid handling by children.
- Check the packaging for damage before use; if damaged, dispose of immediately.
- Make sure that the packaging does not have any sharp edges or protruding parts to avoid injury.
- Packaging should be closed correctly and placed securely to prevent unnatural opening or falling.
- Do not exceed the maximum load of 10 kg and label clearly.
- Packaging should not be stored near sources of moisture or heat in order to avoid material damage.
- Store the packaging in a safe, dry place to ensure its stability.
- Do not store near sources of fire.
- The packaging is not suitable for direct contact with food.
- Make sure that no sharp objects are used when opening the packaging.
- Avoid filling the packaging above the permissible load capacity of 10 kg.
- Secure the packaging properly during transport to prevent damage.
- Give clear instructions for correct use and disposal.
