Please note the technical data of the products!

Article Numbers: 151900, 151893

Safety Instructions:

- Make sure that your shipping parcels are labelled to ensure insurance cover in the event of transport damage.
- Do not stack or cover labels to avoid damage during delivery.
- Use the rubber adhesive according to the usual application method to ensure adhesion.
- Use labels to indicate potential hazards from fragile goods.
- Ensure that labels are clearly visible and legible on the shipping parcels.
