

# Product Safety Information

## Litter bin

**Manufacturer/Responsible Person:** Metallwerke Renner GmbH, Ostberg 7-11, 59229 Ahlen, Deutschland

**E-Mail:** info@metallwerke-renner.eu

Please note the technical data of the products!

**Article Numbers:** 132438, 132437, 132436, 132435

## Safety Instructions:

- Pay attention to sharp edges and corners when opening and closing the container to avoid injuries.
- Note the weight of the waste container during transport; the container may be heavy.
- Ensure that the container is adequately secured and stable in bad weather to prevent it from tipping over.
- Dispose of the container in accordance with local regulations for metal waste.
- Ensure that the instructions for safe use of the waste container are followed.
- Avoid overloading the waste bin above the permitted weight of 40 litres.
- Use the triangular lock properly and secure access to the key to lock the container securely and prevent unauthorised access.
- Avoid sharp objects that could damage the container.
- Follow the manufacturer's instructions regarding disposal and maintenance of the container.
