Article Numbers: 307971, 307970

Safety Instructions:

- Avoid excessive lifting or pulling to prevent injury.
- Pay attention to smooth floors and use suitable measures to prevent falls.
- The product is not suitable for children. Improper use may result in injury.
- The gas spring height adjustment should only be used by adults. Follow the instructions for correct height adjustment of the gas spring.
- Please note that the wheels should be locked in the upright position to prevent them from slipping.
- Keep the product away from naked flames and hot surfaces.
- The product must not be stored under extreme temperatures or humid conditions.
- Avoid excessive movements to minimise the risk of the chair tipping over.
- The maximum load capacity of the chair should not be exceeded in order to avoid injuries.
- Ensure that the chair is used on a stable and level surface.
- Only use accessories and spare parts intended for the chair.
- Make sure that the castors of the chair are checked regularly for wear.
- Protect the product from water and strong chemicals, as these could damage the materials.
