Article Numbers: 132568, 132567, 132566

Safety Instructions:

- Only use for the storage of chemicals from media list 40-1.1 (DIBt). Avoid contact with incompatible chemicals.
- Ensure that the drip tray is placed on a stable base and installed correctly to prevent tipping or leaking.
- Wear suitable personal protective equipment when handling chemicals (e.g. gloves, eye protection, safety goggles).
- Only store chemicals in accordance with legal requirements and safety standards.
- Regularly check the integrity and tightness of the tray and take immediate action to eliminate any hazards in the event of damage.
- Protect the product from direct sunlight and extreme temperatures. Do not use near sources of ignition or naked flames.
- Follow the instructions for safe disposal.
- Do not use with explosive or highly reactive chemicals.
