**E-Mail:** info@aricon.de

Please note the technical data of the products!

**Article Numbers:** 132597, 132596

### Safety Instructions:

- Ensure that the product complies with the general safety requirements and is labelled in accordance with the European safety standards and the General Product Safety Regulation.
- Before use, check the product for any damage and read the instructions for use carefully.
- Take appropriate measures to avoid the risk of falling and slipping, especially on slippery surfaces, and ensure that the tray is placed on a stable, level surface to prevent tipping.
- Users of flat bottom trays should be provided with safety instructions for the handling and disposal of chemicals.
- Do not overload the tray; observe the maximum storage capacity of 600 litres.
- Take care when handling sharp or heavy objects to avoid injury.
