Article Numbers: 132601, 132600

Safety Instructions:

- Only use the tray for the safe storage of liquids that are not corrosive or hazardous and are not suitable for transporting flammable or hazardous materials.
- Keep the tray clean and check regularly for leaks to ensure integrity.
- Make sure that the tray is placed on a stable and level surface to prevent it from tipping over.
- Use appropriate personal protective equipment (PPE) when working with hazardous materials and wear PPE when lifting or moving the product.
- The bath should only be used by adults or under adult supervision.
- The maximum storage capacity of 800 litres must not be exceeded.
- Safety information and handling instructions must be included.
- The product may only be used for its intended purpose.
