Article Numbers: 132605, 132604

Safety Instructions:

- Be aware of sharp edges when handling the drip tray.
- Place the tray on a stable, level surface to prevent it from tipping over or slipping.
- Use only for intended storage of liquids; improper use may cause leakage or overflow.
- Non-authorised chemicals can impair the stability of the tray.
- Wear protective equipment (gloves, safety goggles) to avoid injuries, especially with chemical substances.
- Use the product under adult supervision.
- Do not overheat or use near naked flames.
- Regularly check the stability and condition of the tray.
- Use only for suitable liquids; additional safety precautions are necessary for hazardous substances.
- Provide safety instructions and instructions in understandable language.
