Please note the technical data of the products!

Article Numbers: 132603, 132598

Safety Instructions:

- Not suitable for the storage of flammable or explosive substances.
- The product should be placed on stable and level surfaces to prevent it from tipping over.
- Ensure that the tray is regularly checked for cracks or other damage.
- Point out the correct use of the PP grating to prevent damage to the tray.
- The tray must not be overloaded and the maximum load-bearing capacity must be observed.
- Only use the drip trays for the IBC containers intended for this purpose.
- Please note the maximum storage capacity of 2 x 600 litres.
- Avoid contact with chemical substances that could affect the bathtub materials.
- Store the tray in a dry, cool area to prevent damage.
- Secure the tray against tipping over, especially on uneven surfaces.
