Article Numbers: 132427, 132426

Safety Instructions:

- Observe the safety instructions for using the ball valve.
- Before installation, ensure that the product meets the technical safety requirements.
- Check the connection points for leaks to prevent leaks.
- Do not use the product under pressure exceeding the specified limits.
- There is a risk of water damage if used incorrectly.
- Avoid close contact with electronics to minimise the risk of short circuits.
- Not suitable for children under 3 years due to risk of swallowing small parts.
- Check for leaks before use.
- During installation, ensure that all parts are firmly tightened.
- Use only for the intended purpose.
