E-Mail: info@ufp.de

Please note the technical data of the products!

Article Numbers: 181548, 181547, 181546, 181545

Safety Instructions:

- Not suitable for children under 3 years, as small parts may be included.
- Use only for the intended purpose to avoid injury or damage. Improper handling may result in damage to the device or toner.
- Only use with compatible Brother printers to avoid malfunctions. Only use the toner in compatible printer models.
- Keep the cartridge away from heat, sources of fire and direct sunlight.
- When disposing of the product, observe local regulations for the disposal of electronic and consumable materials. Observe protective measures when disposing of the product. Packaging materials should be disposed of properly to avoid risks.
- Store safely out of the reach of children. Keep out of the reach of children to avoid the risk of choking on small parts.
- Do not inhale black and coloured toner powder; should be examined by a dermatologist or ophthalmologist if there are signs of skin or eye irritation. Avoid direct contact with skin; if skin contact occurs, wash thoroughly with soap and water. In case of contact with skin or eyes: Rinse thoroughly with water and seek medical attention if necessary.
- Use in closed rooms with adequate ventilation is recommended.
- Safety instructions must be provided in a language that is easy to understand.
- Do not place the product in the hands of persons with health problems or sensitivities.
