Article Numbers: 151920, 151919

Safety Instructions:

- Avoid using the tape measure near moving parts or machines to prevent injury.
- When pulling back the tape measure, make sure that it does not hit the skin or other parts of the body.
- Keep the tape measure away from children to avoid the risk of injury. Not suitable for children under 3 years of age due to small parts.
- Check the tape measure regularly for damage and do not use it if the tape is visibly damaged.
- Do not use the tape measure in the vicinity of electrical cables.
- The function of the automatic belt rewind can lead to injuries if used incorrectly.
